THE TIMES.

A. H. CLEMENT EDITOR.

WEDNESDAY, SEP. 19, 1906.

Another brother-man gone wrong and this time one who neither drank, used tobacco, rode on street cars on Sunday, was seemingly sanctimonious and very devout. But this is no reason why the rest of us should drink whiskey, use tobacco, travel on Sunday and refuse to confess Christ before men." Our jails are not filled with total abstainers nor yet with professing Christians. You and I can never know this side of eternity why Judas was allowed with the twelve, but we do know that the rest of the apostles were loyal and true to Lord and man. It is as true to-day as it always has been that the best christian is best husband, neighbor, citizen and official whether in church or state.

Many people entertain the mistaken idea that to be rich is to be a sinner, forgetting that Abrahams the "father of the faithful," was the richest man of his day and that Solomon's great riches came direct from the hand of God. The Bible has this to say on the subject "every man to whom God hath given riches and wealth, and hath given him power to eat thereof, and to take his portion, and to rejoice in his labor; this is the gift of God." God gives riches to those whose appetites are not destroyed by nervous imitation and who rejoice because of His goodness.

That was an able and manly editorial which appeared in a recent issue of the Richmond News-Leader in which the writer confessed that he had never voted for Mr. Bryan and yet in which he rapped Gov. Swanson for declining to meet Mr. Bryan at Radford, and, introduce him to a Virginia audience. The editor being a Democrat should have supported Mr. Bryan, but two wrongs never did and never will make a right. His present position is that of a splendid Virginian.

We should have added to the editorial in last week's issue, in which we found fault with Gov. Swanson for declining to introduce Mr. Bryan at Radford, that he at last consented to do so and that he did it handsomely and well goes without saying. But notwithstanding the nice things said of this distinguished fellow Democrat, the Democrats of Virginia are recklessly divided on Bryan as the issue.

Hearst's speech accepting the nomination as candidate for Governor of New York, which was unanimously tendered him by the "Independence League," was a short one but a good one. A man who would stand by what he said could be trusted by any people, in any position, but as platforms are made to 'get in on,' so speeches are made to excite applause and then be forgotten.

Mr. Bryan boldly and sensibly says if the Democrats don't agree with him on the ownership question they have nothing to do but say so, and then he will wheel into line and do his duty in the ranks. He simply claims the poor privilege of "making suggestions" and surely the humblest member of the party will be accorded that right.

Watterson has been heard from and gives out no uncertain sound. His presentation of Mr. Bryan to a Louisville audience was the work of a master. Read it and learn something of the magnitude of the fight the people are to make against the plutocrats, the masses against the magnates. Every man is expected to do his duty.

Men may not go to church as they should, the pulpit may not be supplied with the best talent of the land, but it must be admitted that the great papers of the day are giving more and more space to subjects of a religious nature. The Richmond papers are doing their full duty in this regard.

The summer is past and sightseers and pleasure seekers are returning home to rest up. Those of us who have remained at the post of duty feel first rate and have no felt all summer. It is a big mistake to imagine that outings are necessary.

The income-tax test makes some of the rich men of Richmond look like "30 cts."

Quarterly meeting convened at Trinity church last Saturday, with Dr. Read the Presiding Elder in the chair. There was quite a small attendance owing to the busy season with the farmers The reports from the different churches were very gratifying. The financial condition is very good and the prospect is that by the close of the conference year, everything will be paid up in full. The pastor has held four revival services with about 150 conversions and 98 additions to the churches. On Sunday Dr. Read preached a very able and instructive sermon on "keeping the Sabbath day holy" his text being "remember the Sabbath day to keep it holy". This will be the last we will be able to have him preach for us as this is his last year among us as Presiding Elder. We hope his successor will be as generally beloved an liked as Dr. Read has been.

Miss Birdie Shearer, of Lynchburg, was visiting her old home last Saturday and Sunday, and attended services both days at Trinity Every one was glad to see her. She reminded us of old times to have her lead the singing as she did when she resided in our midst.

Miss Fanny Baily, who has been visiting her sister Mary at Mr. E. M. Taylor's for the past two weeks, expects to leave for Richmond sometime this week.

Mr. V. B. Grow and family who has been spending his vacation with his parents Mr. and Mrs. J. P. Grow will return to Lynchburg this week and resume his duties as policeman.

We regret to learn Mr. R. A Weakly of Walkers Ford, had the misfortune to lose a barn contain twenty-two hundred sticks of tobacco by fire one day last week.

Misses Ida and Neal Jones of Glenfall were visiting this neighborhood Saturday and Sunday.

Miss Grree Taylor of Wildway, and Mr. L. M. Drinkard of West Appomattox, were visitors at the "Tin Top" Sunday.

Miss Susie Moore of Beckham is visiting her sister Mrs. Dr. Rucker of Pedlar Mills.

Dr. E. A. Warfield and family accompanied by the three Colbourn boys have returned to Westminster Md. where he will resume his duties as professor of toat school.

What has become of the Hebron correspondent. Her letters were so much enjoyed and I am sure every one will be glad to have her write again.

Two weeks from today the public schools will oper, we hope all the schools will be supplied with teachers as we are informed that several have not been able to secure any as yet. Let the teachers and pupils resolve that this year they are determined to do better work than they ever did before, and I am sure at the close of the session they will not be disappointed with the results.

Bryan Charms the Southwest.

Bryan Day in Radford Va. has passed into history it was a great day for the town and for the Southwestern section of Virginia and her citizens are proud that so distinguished a man of such a known reputation and honored by millions of fellow citizens, should visit them.

The welcome that was extended to Mr. Bryan was hearty and genuine and the vast multitude of people that stood in the blazing sun for hours to listen showed their pleasure and appreciation of Virginia's greatest grandson by their hearty applause. After Mr. Bryan and his party were driven to the grand stand the bands were playing Dixie and banners were waving and the vast multitude seemed to go in the great mass of cheers.

Promptly at three o'clock Ex-Governor Tyler introduced Governo Swanson in a graceful speech marked by taste and t:ct. Governor Swanson introduced Mr. Bryan in a very flattering speech and Governor Swanson was given a very flattering oration. It is useless to say that Mr. Bryan's speech was well received and pronounced by all one of the greatest speeches that has ever been delivered in this section. There will be a goodly number around here that we hope, may be able to say in time to come that they have seen the "President."

Christianburg is in a high state of excitement over the burglars that are breaking into different residences. The matter is getting very serious as considerable losses are the results from those mighty visits. The guilty party seems to be hard to run down, but with such hard working officers the guilty will no doubt be run down.

The new library which has recently been opened up will be quite an addition to our town and especially to our winter amusements.

The old fashion Camp Meeting which has been in progress for the past three weeks closed last Sunday. Many attended and gave a listening ear to the "Holy Sanctified" as they called themselves.

Mrs. Charles Land of Raleigh, N. C. and Mrs. F. T. Acree were the guests of Mrs. Dr. Williams at Auburn on Monday.

On the River.

Mr. and Mrs. Karnes, of W. Va., spent last week with Mr. John Wallace of Gladstone. Also Mrs. Henry Williams and children of Richmond spent the week with Mrs. Charlie Wallace of Gladstone.

Mrs. Katherine Hughes, who has been very ill, we are glad to say is convalescing.

I am sorry to note the death of Mr. Wm. Stinson, an old Confederate soldier, which occurred on last Monday evening at her home. He had only been sick a short time when the end came. For thirty years he had been a member of the Baptist church. The deceased was a devoted husband and father. He leaves a widow, one daughter and five sons to mourn their loss. all of whom were with him in his last hours.

Mrs James Jones and children are on a visit to her mother, Mrs. Jas. Bryant of Green Hill.

Miss Cordelia Dixon was the guest of Mrs. Andrew Bolton last Friday.

Miss Eliza Robinson is very ill at this writing.

Mrs. F. A. Harlow continues ill. She is expected to leave for Lynchburg in a few days, where she will be treated ot the St. Andrew's Home.

Mr. Walker LeGrande spent Saturday and Sunday with his home people.

Master Arthur Cabell was visiting his aunt, Mrs. C. M. Field, of Nelson, on Saturday and Sunday last.

Mr. and Mrs. J. A. Dixon and children were visiting Mr. Sam Cunningham last Sunday.

Mr. and Mrs. Monroe Wright of Bent Creek spent Saturday and Sunday with Mrs. T. H. Cunningham.

Misses Emma Burks, Lillian Golladay and Ethel Hughes are spending a few weeks with their uncle, Mr. Sam Burks, of Charlotteville, Va.

I understand Mr. Sam Taylor, of near Greenway, has the finest crop of tobacco in the neighborhood. He has been offering a dollar a day and board and could not get any even at that price.

Franciscoiter Explain.

Owing to the unprecedented condition of the weather through the summer, the members of the monument committee for Francisco District were repeatedly prevented from giving the proposed play for the benefit of the fund.

The committee desires to thank the twenty young ladies and gentlemen for their untiring efforts and co-operation in getting up the play, and their faithfull attendance at the rehersals; and also to state to the public the reason of the failure to carry out the plans. These young people lived far apart, some a distance of twenty miles and attended the rehearsals, frequently through heavy showers until the play was perfected. Three flors were then made to have the play, but each night the rain fell in torrents. The young people had to then leave for their schools and other places, thereby rendering it impossible at this late date to give the play.

Feeling it imperative to give the people of Francisco District an opportunity to contribute to the fund in order that our district may be represented, the undersigned will gladly receive and remit to the general secretary any contribution which may be sent in.

Very respectfully,

MISSES GRACE E. ELCAN and ANNIE P. JONES,

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

Progress is noted in two ways, viz:

1st—The incentive to make provisions for future demands.

2d—The care to make the best possible results of the present.

And so it is today, by such methods,

LYNCHBURG'S GREATER STORE

Stands out as substantial evidence of these two potent factors in commercial upbuilding.

We are never satisfied, no matter how good the service, no matter how splendid the results of our efforts, no matter how superb are the assortments of merchandise offered in our various departments.

We are planning for better conditions, striving to make this store the foremost in the State, and it shall be done only by fair dealing, courteous treatment and prevailing low prices. Thus the tide will swell and the store of yesterday is the better store of today, and on and on till greater things be accomplished, our facilities to serve you the best possible.
